# Ruby SPRITZ

MAKES APPROXIMATELY 12 ½ COCKTAILS

## SHOPPING LIST

*1 bottle* Belle Isle  
Ruby Red Grapefruit

*6 oz*  
lemon juice

*50 oz*  
club soda

*1*  
lemon, sliced

*1-2*  
scoops of ice

## INSTRUCTIONS

- Combine Belle Isle, lemon juice, sliced lemons, and ice in a drink dispenser
- To serve, fill a glass  $\frac{3}{4}$  way with ice, then top halfway with drink from the dispenser. Top the rest with club soda.

### *Notes:*

Cut lemon into wheels for an attractive garnish.

For every 1 bottle of Belle Isle + mixers, you can make approximately 12 ½ cocktails.

For every 1 bottle of Belle Isle + mixers, you will need at least 2.5 liters (or  $\frac{1}{4}$  gallon) worth of space in a drink dispenser.
