Shiny SPRITZ

MAKES APPROXIMATELY 12 ½ COCKTAILS

SHOPPING LIST

1 bottle Belle Isle
Black Label

6 oz
lime juice

50 oz
club soda

1
lime, sliced

1-2
scoops of ice

INSTRUCTIONS

- Combine Belle Isle, lime juice, sliced limes, and ice in a drink dispenser
- To serve, fill a glass $\frac{3}{4}$ way with ice, then top halfway with drink from the dispenser. Top the rest with club soda.

Notes:

Cut lime into wheels for an attractive garnish.

For every 1 bottle of Belle Isle + mixers, you can make approximately 12 ½ cocktails.

For every 1 bottle of Belle Isle + mixers, you will need at least 2.5 liters (or $\frac{1}{4}$ gallon) worth of space in a drink dispenser.
